
Please rate the difficulty of this lecture

- A (very hard)
- B
- C (medium)
- D
- E (very easy)

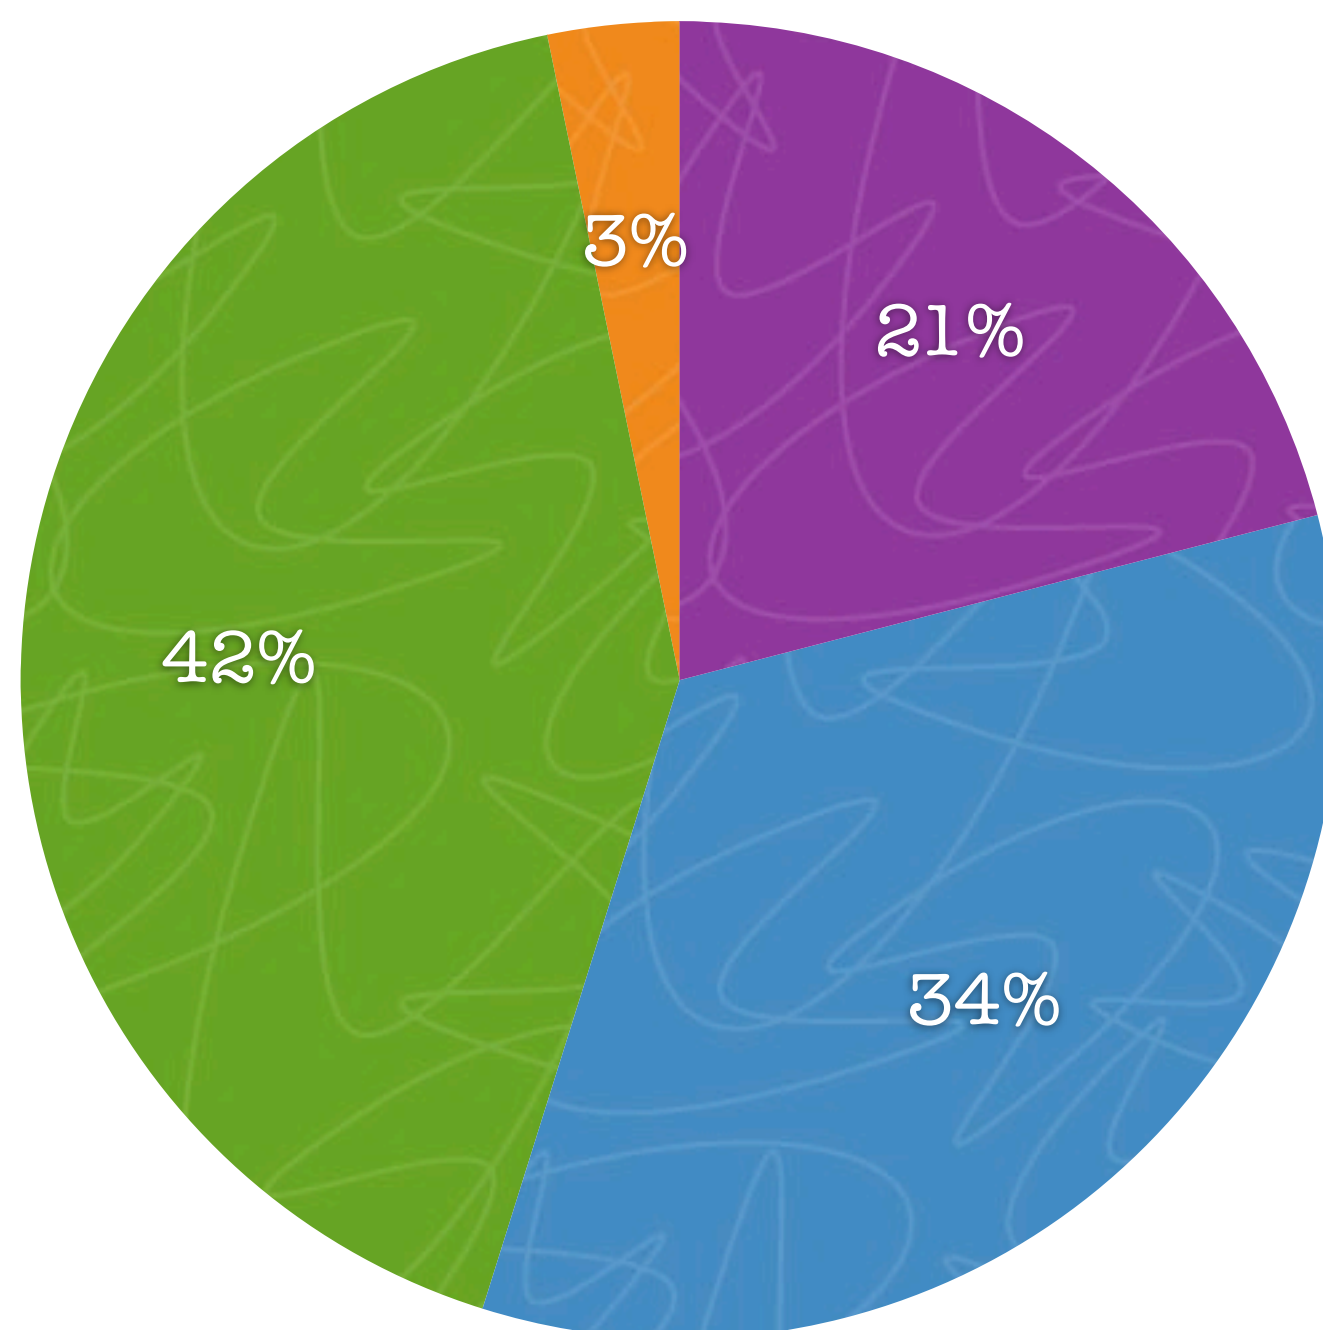

表 1

A (very hard)	13
B	21
C (medium)	26
D	2
E (very easy)	0

According to question.6, many students were interested in iGEM, but the majority of them felt that our lecture was difficult.

This is why we will try to improve the contents of the lecture and make them more understandable to the students in the future.
