

How did you know this lecture?

● Walk by ● Hearsay ● Others

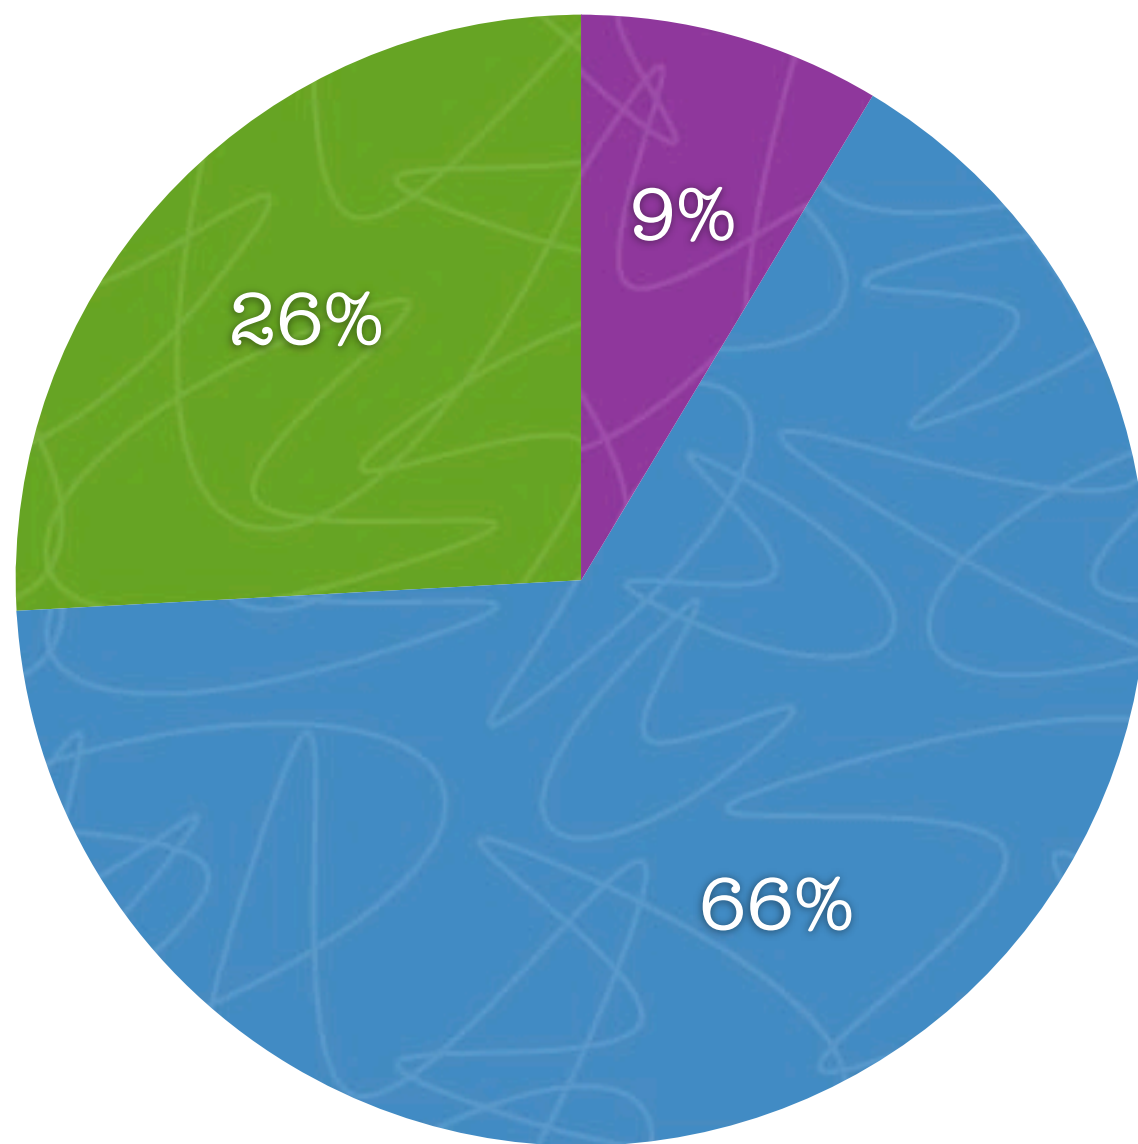

表 1

walk by	5
Hearsay	38
Others	15

This figure shows that a large number of participants who attended this lecture heard about it from someone associated with iGEM .

In contrast, participants who were not invited make up a small percentage, so we hope to continue with this project in order to attract more students who don't know about iGEM.
